MOTION BY SUPERVISOR GLORIA MOLINA

April 15, 2014

On Saturday, May 31, 2014, the Neurofibromatosis Family Foundation will hold their 3rd Annual 5K Steps-Moving Forward event at the Santa Fe Dam Recreation Area. Neurofibromatosis is a neurological disorder that affects one in 2,500 people. Individuals with NF have a defect on the tumor suppressor gene allowing tumors to grow along the nerves within their body at any time.

I, THEREFORE, MOVE THAT the Board of Supervisors instruct the Department of Parks and Recreation to waive the \$10.00 parking fee for 150 vehicles at Santa Fe Dam Recreation Area, excluding the cost of liability insurance.
